Bricks 4 Kidz will be at your school!

Bricks 4 Kidz are hands-on class where children learn the fundamentals of S.T.E.M.

(Science, Technology, Engineering, Math) using Lego® bricks. Each class begins with a teacher-led discussion related to the day's model. Once the project is completed, children use the rest of their time to expand their gadgets and collaborate with one another. Visit our website for more information and a detail description of class themes at: www.bricks4kidz.com/alaska-anchorage-wasilla/
